

BETSON™

PRIZE ARROW

Prize Arrow – Once coined up, a target wheel starts spinning, and skilled players have to aim the arrow at the wheel and slam it into place. If successful, the arrow slips into one of eight slots, each numbered and relating to a prize.

Features:

- “One more go” game play
- 100% skill based with simple play button controls and prize pins for easy refilling
- Attractive, brightly lit all steel cabinet
- 8 prize shelves
- Prize every time kit option
