

## HUNGRY DOGS

Race against the clock and try and achieve the highest score. Shoot the balls into the mouths of the various puppy dog targets, adapting your aim as they open and close. It is simple fun that kids or adults can enjoy, as all you have to do after crediting up is point the gun – it will fire automatically!

### Features:

- One or two player
- Attractive lights and sound effects
- Aim and fire balls into the open mouth of each dog to earn points
- Includes two coin comparator and ticket mechs
- Card swipe compatible
