

BETSON™

MX2800SE FORCE ATM

The brilliant 12.1-inch color display has capacitive touch function keys and a more elegant user interface. The integrated topper now has a brightness control allowing the FORCE to be customized to any environment, from bright C-stores to dark nightclubs.

Features:

- Electronic combination lock
- UL 291 business hours safe
- 80mm graphical thermal receipt printer
- Microsoft® Windows® CE 6.0 platform
- Security camera option
- Dip hybrid card reader
