RED ZONE RUSH

RED ZONE RUSH

Rush the footballs into the endzone in Red Zone Rush. Players press the button on the control panel to release footballs towards the 'endzone' platform. Several footballs are labeled "CARD" which allow for the players to win a collectible trading card in one play.

Features:

- Collect both defensive and offensive player cards for a ticket bonus or super bonus
- RFID enabled footballs are labeled with different letters to indicate their overall values
- Easy to play with single button operation
