## WILLY CRASH “MINI”

Willy Crash is now available in a smaller size! Experience the same gameplay of the original Willy Crash, just with a smaller cabinet and a 32" screen. Willy Crash “Mini” is more than a foot and a half narrower, 10" shallower, and almost one foot shorter than the original version.

### Features:

- “TNT Box” style control panel with giant handle plunger that is easy to use
- Brilliant cabinet design that features daredevil imagery and a light-up cannon
- The fun graphics are shown on a 32" HD LCD display
- Listen for the comedic sounds as Willy crashes and booms his way through this virtual city
