

BETSON™

NGX CURVE

Don't just get ahead of the curve – embrace it! With its stunning arc design and mesmerizing light show, the Curve draws patrons in and keeps the music flowing. Its petite, curvy frame is small enough to fit on any wall, but demands attention from everywhere!

Features:

- Dual-screen display offering millions of songs, whole albums and music videos
- Illuminated frame and dynamic equalizer move to the beat of the music
- Use content filtering to customize the music available at your venue
- Create, schedule and run your own custom ads with AMI Ad Manager
